EXPERIENCE

Freelance Designer, 2015 - Current

Print ad campaigns, company branding, website design, high resolution photo retouching, color separations, automated email campaigns, Instagram ad campaigns, Facebook ads, Amazon listing creation and banner ads.

Sr. Art Director, WORKS ADVERTISING — 2009-2015

Conceptualize design and build key art campaigns for major motion pictures. Ads for print, internet, outdoor billboards, bus shelters, building wraps & teaching younger artists photoshop techniques to improve their skill set.

Sr. Art Director CREW CREATIVE — 2008-2009

Create key art for posters, title treatments, billboards, building wraps, internet, and overseas print campaigns. Manage jr. artists and prepare presentations for presentations for the studios.

Art Director ART MACHINE — 2005-2007

Key art for domestic and foreign movie poster campaigns.

Art Director VOX ADV — 2004-2005

My role at VOX was art director designing titles and key art for major motion pictures as well a DVD covers and promotional materials for film releases.

Creative Director O'NEAL MOTOCROSS — 2000-2004

Product development and managing the art department. Responsible for designing: jerseys, helmets, gloves, boots, team semis, hard parts, backpacks, apparel and magazine ads, teaching junior level art directors the skills needed for product design from concept through production.

COMMENTS

Art and design have always been a passion for me starting at an early age. I was always drawing, painting and finding creative ways to express messages, emotions and concepts through art. I still carry that passion to this day and I'm always looking for out of the box ways to convey messages to the public with modern tools such as Photoshop and Illustrator.
